No. 426.—The 9th February 1903.—The following is republished for general information:—

Offg. Secy. to the Govt. of Bengal.

No. 201—207, dated Calcutta, the 30th January 1903.

RESOLUTION—By the Government of India, Home Department.

THE need of an Imperial Library in India which should be open to the use of the public has for some time past engaged the attention of the Governor-General in Council, who has

been impressed by the limited character of the facilities for research which are available to the student in this country. The Imperial Library in the Civil Secretariat Buildings at Calcutta, formed a few years ago from the different Departmental Libraries, has proved of some service in this direction, and the marked increase in recent years in the number of persons making use of it affords satisfactory evidence of the appreciation which would be extended to an institution worthy of the name of an Imperial Library. With the approval of the Secretary of State, the Governor-General in Council has accordingly decided to establish such a library at Calcutta, a suitable building has recently been acquired for its accommodation, and the books and shelves of the Calcutta Public Library which had long ceased to fulfil the intentions of its founders have been purchased from the proprietors. These arrangements were confirmed and validated by the Imperial Library Act, 1902 (I of 1902). The existing Imperial Library will form the nucleus of the new institution, which will be provided with Reading Rooms, public and private, as at the British Museum and Bodleian Libraries. It is intended that it should be a library of reference, a working place for students, and a repository of material for the future historians of India, in which, so far as possible, every work written about India at any time can be seen and read.

2. The rules appended to this Resolution have been framed to give effect to the views of the Government of India in establishing the library. The control of the institution will remain with the Government of India, but its internal management will be delegated to a Council, with the Librarian as its Secretary, and His Excellency the Governor-General in Council has been pleased to appoint the following gentlemen to be the first members of this body:—

The Honourable Mr. T. Raleigh, C.S.I. . .	*Chairman.*
The Honourable Mr. Justice Guru Das Banerji	*Members.*
The Secretary to the Government of India, Home Department.	
Mr. M. Finucane, C.S.I., Commissioner, Presidency Division.	

ORDER.—Ordered that a copy of this Resolution be forwarded to the officers named above and to the Government of Bengal and the High Court, Calcutta, for information.

Ordered also that the Resolution be published in the *Gazette of India*.

IMPERIAL LIBRARY RULES.

I. The Library will be open to any person who holds a reading ticket issued to him by the Librarian in accordance with such regulations as may from time to time be made by the Council.

II. Reading tickets will not be issued to any person under 18 years of age. They will remain in force until cancelled by the Council and will not be transferable. Any person who infringes these rules or any regulations made by the Council for the internal management of the Library will be liable to have his ticket suspended by the Librarian pending a reference to the Council.

III. Subject to the provisions of rule IV, no book or other document shall be taken out by any person except with the permission of the Librarian to be given in accordance with any general or special orders made by the Council in this behalf.

IV. Any of the proprietors of the former Calcutta Public Library shall be entitled when resident in Calcutta to take out books from among those transferred from that Library to the Imperial Library, subject to the restriction that he shall not take out more than six works (up to a limit of 12 volumes) at a time.

V. Books and other documents that have been taken out are liable to recall at any time, but if not so recalled, they may be kept for a space of one month, which may be extended by the Librarian at his discretion.

VI. The Library will be open to the public from 10 A.M. to 7 P.M. on working days, and from 2 to 5 on such Sundays and holidays as the Council may determine.
